An Inner Silence: The Portraits of Henri Cartier-Bresson

Reviews
This kind of pdf is almost everything and made me seeking forward and much more. It is actually packed with wisdom and knowledge. You will not really feel monotony at whenever you want of your own time (that’s what catalogs are for about when you question me).

AN INNER SILENCE: THE PORTRAITS OF HENRI CARTIER-BRESSON

Thames & Hudson. Paperback. Condition: New. 160 pages. Dimensions: 9.4in. x 7.9in. x 0.7in.

These masterful photos blend the spontaneity of a great snapshot with the highly organized composition of a classical painting. Publishers Weekly Henri Cartier-Bresson (1908-2004) was perhaps the finest and most influential image maker of the twentieth century, and his portraits are among his best-known work. Over a fifty-year period, he photographed some of the most eminent personalities of the era, as well as ordinary people, chosen as subjects because of their striking and unusual features. Originally published to coincide with an exhibition at the Fondation Henri Cartier-Bresson in Paris, this book features both well-known images and previously unpublished portraits: Ezra Pound, Andre Breton, Martin Luther King, Samuel Beckett, Truman Capote, Susan Sontag, Carl Jung, William Faulkner, Marilyn Monroe, Henri Matisse, and many more. Each photograph was chosen because it perfectly embodies Cartier-Bresson's description of what he was attempting to communicate in his work: Above all I look for an inner silence. I seek to translate the personality and not an expression. The portraits reproduced here discreet, without artifice confirm once more the singular gift of Cartier-Bresson, who instinctively knew in which revealing fraction of a second to click the shutter. 97 tritone photographs This item ships from multiple locations.

Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
